

## ASTONA 2024

### House Concerts Registration Form

Please return by latest July 1 to [director@astona-international.ch](mailto:director@astona-international.ch)

Participants must register 2 fully-prepared concert pieces, one of which they will perform in a house-concert. To avoid having too many students perform the same piece, it will be decided and communicated in advance, which of the two registered pieces should be performed in the house concert.

Concerto movements with piano reduction are not allowed. Only solo pieces (eg. Bach, Paganini) and pieces with piano (concert pieces, sonatas) are allowed. Duration: minimum 8, maximum 20 minutes. Each student is allowed to perform as soloist in ONE house concert only.

Students must be prepared to perform on short notice, even in the first house-concert on day two of Astona.

The performers and programs for the public concerts will be determined by the faculty-members on the basis of the performances presented in the house-concerts.
